21.1 The DFE or its authorised representatives may visit on reasonable notice to the Contractor any premises of the Contractor, any Consortium Member, or any other premises at which the Services (or any part of them) are being or are to be performed to ascertain that the Contractor is conforming in all respects with its obligations arising under the Contract and otherwise to monitor and quality assure the provision of the Services.

21.2 During such visits, the DFE may inspect and take copies of such of the records of the Contractor and any Consortium Member as relate to the performance of their obligations under the Contract.

21.3 If the DFE reasonably considers that any provision of the Contract is at risk of not being complied with it may, notwithstanding and without prejudice to any other right or remedy that it may have under the Contract or otherwise:

21.3.1 require the Contractor to produce a plan of remedial action in order to remedy or remove such risk, which shall be subject to the approval of the DFE (not to be unreasonably withheld) and which, once approved, the Contractor shall implement; and

21.3.2 monitor, supervise, direct and/or guide the Contractor's provision of the Services until the DFE reasonably considers that any such risk has been remedied or removed. The Contractor shall cooperate at all times with the DFE in this regard.

21.4 If the Contractor fails to comply with any provision of the Contract or fails to supply any of the Services in accordance with the provisions of the Contract and such failure is capable of remedy, then the DFE may instruct the Contractor to remedy the failure and the Contractor shall at its own cost and expense remedy such failure (and any damage resulting from such failure) within 21 days or such other period of time as the DFE may direct.

21.5 The DFE may review from time to time the progress of the Contractor against the Implementation Plan. The Contractor shall cooperate with the DFE in this regard and provide any information and evidence reasonably required by the DFE.

21.6 The DFE may instruct the Contractor to take appropriate remedial action where the DFE reasonably considers that the Implementation Plan is not being complied with or is at risk of not being complied with and the Contractor shall take such remedial action.

22. STEP IN RIGHTS

22.1 Without prejudice to DFE's rights of termination under Clause 23 the DFE may exercise one or more of the rights set out in this Clause 22 (**"Step In Rights"**) if:

22.1.1 there is a Default by the Contractor which materially prevents or materially delays performance of the Services or any part of the Services and the Default has not been remedied within a reasonable period of the DFE notifying the Default to the Contractor and requiring its remedy;

22.1.2 an event of Force Majeure occurs which materially prevents or materially delays the performance of the Services or any part of the Services;

22.1.3 a Regulatory Body has advised the DFE that exercise by the DFE of its rights under this Clause 22 is necessary;

22.1.4 a serious risk exists to the health and safety of persons, property, or the environment;

22.1.5 it is necessary to discharge a statutory duty; or

22.1.6 the Contractor becomes insolvent.

22.2 If the DFE has a Step In Right it may serve notice on the Contractor (a **"Step-In Notice"**) that it will take action under this Clause 22 either itself or with the assistance of a third party.

22.3 The Step-In Notice shall set out:

22.3.1 the action the DFE wishes to take and in particular the Services that it wishes to control (the **"Required Action"**);

22.3.2 the event triggering the Step In Rights and whether the DFE believes that the Required Action is due to the Contractor's Default;

22.3.3 the date on which it wishes to commence the Required Action;

22.3.4 the time period which it believes will be necessary for the Required Action;

22.3.5 whether the DFE will require access to the Contractor's premises; and

22.3.6 to the extent practicable, the effect the DFE anticipates the Required Action will have on the Contractor's obligations to provide the Services during the period that the Required Action is being taken.

22.4 Following service of a Step-In Notice, the DFE shall:

22.4.1 take the Required Action set out in the Step-In Notice and any consequential additional action as it reasonably believes is necessary to achieve the Required Action;

22.4.2 keep records of the Required Action taken and provide information about the Required Action to the Contractor;

22.4.3 co-operate wherever reasonable with the Contractor in order to enable the Contractor to continue to provide those Services of which the DFE is not assuming control; and

22.4.4 act reasonably in mitigating the cost that the Contractor will incur as a result of the exercise of the Step In Rights.

22.5 For as long as and to the extent that the Required Action continues:

22.5.1 the Contractor shall not be obliged to provide the Services to the extent that they are the subject of the Required Action; and

22.5.2 the DFE shall pay the Contractor the Charges after subtracting any applicable Service Credits and the DFE's reasonable costs of taking the Required Action.

22.6 If the Contractor demonstrates to the DFE's reasonable satisfaction that the Required Action has resulted in the degradation of any Services not subject to the Required Action beyond that which would have been the case had the DFE not taken the Required Action, the DFE may adjust the Charges.

22.7 Before ceasing to exercise its Step In Rights the DFE shall deliver a written notice to the Contractor (a **"Step-Out Notice"**), specifying:

22.7.1 the Required Action it has taken; and

22.7.2 the date on which the DFE plans to end the Required Action subject to the DFE being satisfied with the Contractor's ability to resume the provision of the Services and the Contractor's plan developed in accordance with Clause 22.8.

22.8 The Contractor shall, following receipt of a Step-Out Notice and not less than 20 Business Days prior to the date specified in Clause 22.7.2, develop for the DFE's approval a draft plan relating to the resumption by the Contractor of the Services,

including any action the Contractor proposes to take to ensure that the affected Services satisfy the requirements of the Contract.

22.9 If the DFE does not approve the draft plan, it shall inform the Contractor of its reasons for not approving it and the Contractor shall then revise the draft plan taking those reasons into account and shall re-submit the revised plan to the DFE for approval. The DFE shall not withhold or delay its approval of the draft plan unreasonably.

22.10 The Contractor shall bear its own costs in connection with any Step-In under this Clause 22, provided that the DFE shall reimburse the Contractor's reasonable additional expenses incurred directly as a result of any Step-In action taken by the DFE under Clauses 22.1.2 to 22.1.5 (insofar as the primary cause of the DFE serving the Step In Notice is identified as not being the result of a Contractor's Default).

If the Parties are unable to agree the revised Exit Plan within 30 days, such dispute shall be referred to the dispute resolution procedure in Clause 36.

25.5 If the Contractor:

25.5.1 does not have to use resources to comply with this Clause 25 in addition to those normally used to deliver the Services prior to termination or expiry, there shall be no change to the Charges; or

25.5.2 reasonably incurs additional costs in complying with this Clause 25 the Parties shall agree a variation of the Charges.

25.6 [Not Used]

25.7 [Not Used]
