SCHEDULE 1: SPECIFICATION & MONITORING

Adult T Level Pilot

Definitions

"T Level"	Means a level 3 programme of education, known as a T Level, which has been approved by the Institute for Apprenticeships and Technical Education under sections A2DA and A2DB[1] of the Apprenticeships Skills, Children and Learning Act 2009.
"T Levels for Adults Pilot Provider Guidance"	Means the document provided to participating pilot providers which sets out arrangements for delivery of the pilot, including: the parameters for delivery, flexibilities to be tested and funding arrangements.
"Industry Placement Guidance"	Means Capacity and Delivery Fund (CDF) guidance for those who are delivering in 2021 to 2022, and will continue placement hours into Funding Year 2022 to 2023: Industry placements: capacity and delivery fund (CDF) for providers delivering in the 2021 to 2022 academic year - GOV.UK (www.gov.uk) CDF guidance for those who are delivering in 2022 to 2023: Industry placements: capacity and delivery fund (CDF) for providers delivering in the 2022 to 2023 academic year - GOV.UK (www.gov.uk)
"T Level Industry Placements Delivery Guidance"	Means T Level industry placements delivery guidance - GOV.UK (www.gov.uk)
"Learning Support"	Means Funding to enable providers to put in place a reasonable adjustment, set out in the Equality Act 2010, for Learners with an identified learning difficulty and/or disability to achieve their learning goal.

Summary of Services

1. The Services are the delivery of The Adult T Level Pilot study only.

[1] When the relevant provisions of the Skills and Post-16 Education Act 2022 come into force, section A2DA will be re-numbered as A2D3 and section A2DB will be re-numbered as A2D4.

2. The Services are for any Learner aged 19+ in an eligible College.

3. The Services include support to help Learners overcome specific barriers to participation so they can remain in education.

4. In offering the T Levels for adults pilot the College is expected to support Learners to work towards attainment of maths and English at level 2 if not already achieved.

5. Funding is for the 2022 to 2023 Funding Year.

6. The legal bases for these Services are section A2DA and A2DB of the Apprenticeships, Skills Children and Learning Act 2009.

7. The documents listed in the Definitions of this Schedule are those documents produced by the Department which constitute the Funding Rules for these Services.

Services Commencement and Duration

8. T Levels for Adults Pilot Start Date: 1st August 2022

9. T Levels for Adults pilot Year 1 Expiry Date[2]: 31st December 2023 (final data).

Service Requirements

Recruitment

10. The College shall promote the pilot in their local area to recruit eligible Learners onto these Services from the Services Start Date. New Learners must not be recruited after 31st July 2023.

11. All Learners must be enrolled on a T Level in a subject first taught by the provider from either academic year 2020/2021 or 2021/2022. No Learners should be enrolled on subjects that are taught for the first time from academic year 2022/2023 by the College.

12. The number of Learners enrolled on the pilot shall not exceed the number agreed in writing with the Department before teaching starts in September 2022.

Curriculum Design Delivery

13. The College must:

    a. deliver T Levels to eligible students which meet all the T Level requirements, including ensuring that adult Learners:

[2] This is a two year pilot; so the final expiry date, including development of the evaluation report will be 31st December 2024.

i. are assessed at the same time and in the same way as the 16-19 cohort and can retake components in the same way.

ii. can access the content of the Technical Qualification as required to ensure they are well prepared for these assessments.

iii. can access and complete an Industry Placement in the time available for the course, following the Industry Placement guidance, where appropriate.

iv. can access and work towards attainment of level 2 maths and English qualifications, if these have not already been achieved.

b. conduct initial assessment to determine how much prior learning each adult Learner has.

14. Following Learners' initial assessment, the College must:

a. devise curricula which account for the prior learning; for example, reduced duration for the core learning/industry placement

b. depending on the results of Learner initial assessment:

i. deliver the T Level to the maximum learning hours specified in the Technical Qualification (TQ) specification (i.e. between 900 and 1400 GLH)

ii. deliver the industry placement of at least 50% of 315 Hours (and 750 hours for Early Years Educator occupational specialism)

c. agree to share curriculum models, and outcomes of initial assessment with other pilot providers and the Department.

15. To support the research aims of the pilot, the College must have regard to the T Levels for Adults Pilot Provider Guidance and must:

a. agree the flexibilities which will be tested through the pilot before the start of the pilot.

b. support surveys of adult Learners' and 16-19 Learners' experience of the programme

c. attend workshops, and check-point meetings to review progress and appraise the value of flexibilities to adult Learners

d. contribute to the research report and evaluation.

Outputs

16. The College will deliver T Levels in accordance with the requirements set out in paragraph 13.

17. The College will take steps to ensure as many adult Learners as possible achieve the T Level. The Department will monitor the achievement rate as part of an overall risk assessment.

18. The College will put in place reasonable adjustments to support eligible Learners with identified learning difficulties and/or disabilities by using Learning Support as set out in the T Levels for Adults Pilot Provider Guidance. 19-24 Learners with Education Health Care Plans should be enrolled on the 16-19 T Level programme rather than the T Levels for Adults Pilot.

19. The College will take steps to ensure they spend the allocated Funding in the Funding Year.

20. The College will maintain evidence of the delivery of the Services as set out in the T Levels for Adults Pilot Guidance

21. Where the College is engaged in the delivery of T Levels, the College must comply with the requirements paragraphs 10-19 and have due regard to T Levels for Adults Pilot Provider Guidance, and:

    a. comply with the requirements set out in the T Level Industry Placements Delivery Guidance (with up-to 50% reduced duration exclusively for adults enrolled on the pilot);

    b. comply with visits from the Department, its agent or any other body with whom the Department makes arrangements, for the purposes of monitoring the compliance with the T Level Industry Placements Delivery Guidance; and

22. In addition to the obligations set out in Clause 30, Sub-Contracting, the College will adhere to the requirements set out in the Sub-Contracting Funding Rules.

23. The College will deliver the Services in a way that ensures:

    a. Value for money.
    b. The protection of public funds.
    c. The effective delivery of a high-quality service for Learners appropriate to their needs and
    d. Meets the public benefit test.

T Levels for Adults Pilot Education Delivery Administration

24. Not used for 2022/23.

25. The College will submit Learner data to the Department to comply with Clause 21, Submission of Learner Data.

26. The College must complete the Learner's T Level on or before the planned end date in the data submitted in the ILR. Where the College misses this date, the Department may consider this a breach of this Agreement.

27. The College shall submit funding claims in line with Schedule 1B, T Levels for Adults Monitoring.

28. The College must keep the Department informed of any changes to their bank details.

The Department

29. The Department will pay for the Services as set out in Schedule 2, T Levels for Adults Pilot Monitoring.

30. The Department will monitor the Services as set out in Schedule 1B, T Levels for Adults Pilot Monitoring.

SCHEDULE 1B: MONITORING

T LEVELS FOR ADULTS MONITORING

Monitoring of ILR Submission for T Levels for Adults Monitoring

1. Colleges must ensure ILR submissions are made in accordance with the T Levels for Adults Pilot Provider Guidance.

2. The Department will monitor and review the data submitted under Clause 21, Submission of Learner Data of this Agreement for all in-year monitoring purposes.

3. Where data is incorrect in the final data submission of the academic year the Department will amend or determine future funding allocations to recover the payments associated with the incorrect data.

T Level for Adults Pilot Education Delivery Reconciliation

4. The Department will reconcile the outturn against the Funding paid. The College will submit a final claim to the timescales in the T Levels for Adults Pilot Provider Guidance. Failure to submit a final claim to the published timescales will be a breach of this Agreement and any reconciliation will be at the Department's discretion.

5. The Department will perform a reconciliation at the end of the Funding Year as set out in the T Levels for Adults Pilot Provider Guidance and will notify the College of the actual number of Learners delivered to and the value of the pilot programme delivered and compare this to the total Funding paid under this Agreement as specified in Schedule 2, T Adult T Level Pilot Payments.

6. Where the Department determines, as a result of such review, that there has been an over-payment to the College, the Department may recover in full from the College the amount or value of all such errors and such sum shall be repayable by the College to the Department within 30 days of receiving an invoice for the same.

SCHEDULE 2: PAYMENT

Adult T Level Pilot

1. The Department will make the payments set out in the Funding Agreement to this Schedule.

2. All payments by the Department for these Services will be made via BACS on or before the 20th of the month.

3. Under Item 5A to Group 6 of Schedule 9 of the VAT Act 1994, the supply of education or vocational training funded by the Department and the supply by the person providing that education or vocational training, of any goods or services essential to that provision, is considered to be an exempt supply for VAT purposes. The Department is generally unable to recover any Value Added Tax charged. The maximum Funding payable under this Agreement, as set out in the Funding Agreement of this Schedule is inclusive of all of the costs of the Service including, but not limited to, and any other VAT or taxes to be charged, where they apply.

Funding Agreement

4. The following Funding Agreement sets out the Funding available for these Services.
